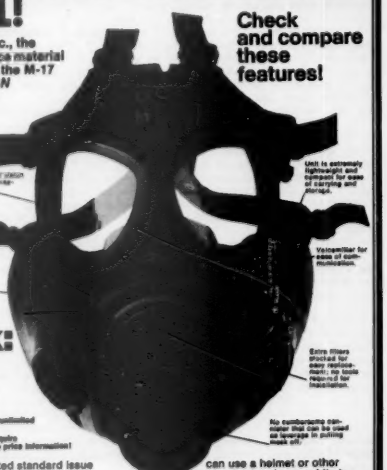
ATTENTION...
POLICE, MILITARY & RIOT CONTROL PERSONNEL!

Sherwood Distributors, Inc., the largest supplier of ordnance material in the U.S., proudly offers the M-17 Gas Mask — at a *FRACTION of the ORIGINAL COST* — to our friends who purchase and use riot control protective equipment!

Check and compare these features!



Six fully adjustable head straps and headband; designed so mask can be comfortably worn with helmet protection.

Excellent peripheral vision (combined for large wide-angled eye lens).

Flexible rubber construction gives positive seal and wearing comfort; enables user to fire shoulder weapons while wearing mask.

Unit is extremely lightweight and compact for ease of carrying and storage.

Voicemitter for ease of communication.

Extra filters stocked for easy replacement; no tools required for installation.

No cumbersome container that can be used as sponge in pulling mask off.

The M-17 Gas Mask:
Unbeatable Riot Protection at an Unheard of Price!
Only $39.95

Extra replacement filters (right & left) in unlimited quantities available; only $6.95 each.
Dealers and law enforcement agencies; inquire on official letterhead for quantity purchase price information!

The M-17 is the same field-tested standard issue mask of the U.S. Armed Forces. Provides excellent protection for face, eyes and respiratory tract of the user from CN, CS and DM riot control gases. As a training advantage, your personnel are probably already familiar with the M-17 from military service.
The head band is designed so that the wearer can use a helmet or other protective head gear while in tactical situations. The compact size of this unit enables the wearer to fire shoulder weapons while the mask is in use.
At a light weight of approximately 2 lbs., with filters installed, each M17 comes in a heat sealed, airtight, foil lined storage bag.
